

General Marina Rules & Terms of Agreement

1. **Summer season is from April 15th to October 15th.**
 - a. Space in the marina is assigned only after receipt of a completed agreement, evidence of insurance in force, copy of valid registration and a valid credit card on file. Assignments are made on a first come first served basis with preference given to our year-round customers (Summer & Winter).
 - b. Deposits for summer season customers must be received no later than October 15th or summer space may be reassigned. The remaining balance is due in two installments, December 1st and March 1st. If an unpaid balance is outstanding after March 1st summer space may be forfeited.
2. **Winter Storage Season is from October 15th to April 15th.**
 - a. Haul, Store & Work Agreements need to be returned by October 1st to schedule hauling and establishing your yard location for launching in the spring. There are a limited number of vessels that can be hauled each week and space is on a first come first serve basis.
 - b. Haul, Store & Work Agreements include the owner's request for the week of launching in the spring. An owner that does not request a launch week and/or return the agreement by October 1st may not receive the launch week of his/her choice. Each haul week is limited to no more than 25 boats per week on a first come first served basis.
 - c. Deposits for Hauling and winter storage must be received prior to the boat being hauled.
 - d. The remaining balance for winter storage is due upon completion of the haul.
 - e. Winterization and any additional winter work will be billed separately, unless you have opted for the TBM float plan, this will be included on your storage invoice.
3. **Year-round wet slip customers have preference over summer only customers** in requesting their slip of choice. Slips for summer only customers will be allocated slips only after all year-round customers slips have been decided.
4. **Seasonal space rental agreements are for one season only.** Boats not launched or removed from the Marina at the end of each season will be charged the seasonal storage rate for inactive boats.
5. **All owners agree to carry hull insurance** (minimum of fair market value of the vessel) and liability insurance (minimum limit of \$500,000). The vessel owner is responsible for and agrees to have Three Belles Marina as an additional insured on their vessel insurance policy.
 - a. Contact your insurance agent to have them send us a **Certificate of Liability** showing the above limits along with Three Belles Marina as an additional insured. They can fax/email us a copy (860)739-6544 or info@threebellesmarina.com.
 - b. Owner agrees that the Marina will not be liable for damages due to fire, storm, winds, ice, theft, Acts of God, outside labor, or the work of any independent contractor.
 - c. Each vessel and its owner will be responsible for any damage to other vessels and/or to marina property. Additionally, the owner agrees to hold harmless and indemnify Three Belles Marina for any claims of whatever nature, including negligence, which may be brought against Three Belles Marina as a result of the owner's vessel and/or its owner's presence in the yard, which relate in any manner to this agreement, including but not limited to guests brought on the premises by the owner.
6. **In the event of a NOAA named storm or hurricane** the owner is responsible for removing his/her vessel from the docks and moorings in Smith Cove at least 24 hours before the storm impacts Long Island and Eastern CT. The owner further agrees to either have Three Belles Marina haul and block and relaunch the boat from the yard at the owner's expense or to remove the vessel from Three Belles property. In the event that the owner's vessel is not removed from the dock or mooring prior to the named storm or hurricane the owner agrees to hold Three Belles Marina harmless and agrees to assume full responsibility for any damage done to Three Belles Marina property by the vessel as a result of the storm or hurricane and/or any charges resulting from having to attend to the vessel during the storm. Three Belles Marina does not guarantee that boats will be hauled prior to the impact of any storm. Any damage done to customers property as a result of hauling, relaunching or attending to boats during a named storm or hurricane is the responsibility of the customer and the customers insurance company.

7. **Length used in billing calculations is length overall (LOA)** and is measured from the tip of the bow or bow pulpit to the end of the stern, swim platform or outboard engine, whichever is longer. Vessels stored on trailers are measured from the tip of the trailer to the furthest point at the stern.
8. **Bills will be sent when the work is complete**, and payment is due upon receipt. When the balance of any account remains unpaid beyond 7 days, the owner agrees that all future work will be halted and will not resume until the account is paid in full.
 - a. A service fee of 1.5% per month will be added to balances 15 days past due and applied back to the date of the invoice. All bills must be paid in full before annual or seasonal contracts are accepted or space is reserved and prior to a vessel being hauled, launched, or taken away. It is the owner's responsibility to ensure that their account is kept current. All charges shall be a lien against the vessel and will continue to be deemed so until those obligations are paid in full. If a bill is not paid in full the vessel may be returned to Three Belles Marina and hauled at the vessel owner's expense.
 - b. The owner agrees that should they default on their obligations that Three Belles Marina shall be entitled to its reasonable cost of collection, including attorney's fees, plus interest at 18% per annum.
 - c. Checks returned by the bank will result in a \$30.00 processing charge.
9. **Three Belles Marina cares about protecting Smith Cove** and improving the quality of the environment where we live, work and play. We ask that you do everything you can to prevent contaminants from entering our waters or from being deposited on the grounds. Please assist us by respecting the following environmental policies:
 - a. Immediately notify our staff in the event of a fire, accident, or contaminant spills. Emergency response telephone numbers are posted in the Marina office.
 - b. Do not throw, discharge, deposit, or place refuse, sewage, or waste matter of any description into the waters of Smith Cove, nor discharge or deposit materials of any kind on the banks, docks, or walkways in any location where the same may be washed or accidentally deposited into the waters of Smith Cove.
 - c. Do not dump or discharge oil, spirits, chemicals, flammable liquids, or contaminated bilge water into the waters of the Marina or onto the Marina grounds. This also includes excessive unburned fuels and or petroleum products discharged by engine exhausts.
 - d. Oil or other liquids or other contaminants are not to be dumped into the dumpsters or trash barrels. Three Belles does not accept for disposal any waste fuels, waste oils, transmission fluids, or antifreeze of any kind from customers. All waste fluids are to be removed from Three Belles property by the customer.
 - e. **The use of jerry cans on the docks or in the yard to fill fuel tanks of any vessel is strictly prohibited.** Fuel can only be dispensed at the marina fuel dock from the marina fuel dispenser.
 - f. If you intend to sand and/or paint your own boat bottom with any antifouling paints or compounds, you MUST first get permission from the office. Use of tarpaulins, dustless sanders and all available means to contain any sanding residue, paint chips or chemicals are mandatory. All collected debris MUST be taken off marina property. **DO NOT DISPOSE OF SANDING DUST, PAINT RESIDUE, BRUSHES, ROLLERS OR CONTAINERS IN THE MARINA'S DUMPSTERS. THESE MATERIALS MUST BE REMOVED FROM THE MARINA PROPERTY.** If you have any questions, please contact our offices. The Marina strongly urges the use of ablative type water based antifouling paints.
 - g. No pressure washing is allowed at the Marina at any time. The EPA has strict rules regarding pressure washing that include the need to recapture the wastewater. Three Belles has a recapture pad near the lift well for this purpose.
 - h. Discharge of sewage, contaminated bilge water, solid refuse, or any other pollutants into the waters of the Marina or on land is strictly prohibited by law. **THE BOAT OWNER IS DIRECTLY RESPONSIBLE FOR THE COST OF CLEANUP RELATING TO ANY SUCH DISCHARGE.** All removed petroleum products, chemical residues, damaged or worn-out parts, or refuse resulting from the normal maintenance and repair of vessels must be disposed of in accordance with all existing local, state, and federal rules that govern such actions. If you have any questions, please inquire at the marina office.
 - i. All garbage and or refuse must be placed in the containers provided by the marina for that purpose.
 - j. We love pets as much as you do but we must insist that all animals are leashed, stay off the grass and that you clean up after your pet. There is a pet clean up stations located on the property for your convenience.

10. **Owners and immediate family may work on their boats.** Outside labor is prohibited unless authorized in advance by the Marina. A \$75/day facilities fee applies for each outside contractor. Authorized contractors must:
- Sign in at the office daily and provide a description of work
 - Show valid insurance (workers comp + \$3M liability).
 - Maintain MSDS for hazardous materials and comply with Clean Marina/Three Belles environmental rules.
 - Work only Mon–Fri, 8am–4pm (no weekends/holidays).
 - Sign out daily and remove all waste/debris from the property.
 - ABSOLUTELY NO** outside contractors allowed to shrink wrap boats.
11. **No work may be performed by boat owners or vessels plugged in on land after 4:00 pm** during the winter months (Nov – March) without the permission of the marina. Boats will be unplugged after hours.
12. **Screw jacks or blocking supporting vessels stored in the yard are not to be moved** or altered by a customer for any reason. No Ladders or any other material including boat covers are to be tied or chained to the screw jacks.
13. **It is understood and agreed by the vessel owner** that the Marina is not responsible for any damage to the owner's property or vessel while the boat is being moved by the Marina unless it is due to the Marina's negligence.
14. **Owner agrees that the Marina is not responsible** for any hull damage due to the normal operation of the marina lifts or degrading decals, striping, or name emblems due to washing, waxing or power washing.
15. **The display of any sign on/in the vessel which is in the Marina is prohibited** unless prior written permission has been received from the marina. For safety or security nobody should be on land-stored vessels after dark without the permission of the marina. Overnighting on a land-stored Vessel is strictly prohibited.
16. **Disorderly, disrespectful, or rude conduct by a customer or their guests that might offend or injure a person, cause damage to property or harm the reputation of the marina shall be cause for immediate removal of the customer and vessel from marina property.**
17. **The Marina may inspect all vessels** in the marina to determine their adherence to local and federal safety requirements.
18. **Hauling, launching or service/repair of vessels** will not be scheduled without a minimum deposit of 50%.
19. **Hauling & Storage:**
- Any outstanding customer balance must be paid in full prior to Hauling.
 - Only shrink-wrap or custom fitted covers are to be used during winter storage. No tarps are allowed in the yard due to the severe damage they may cause during winter storms.
 - Owner agrees to leave keys or combination with the Three Belles Marina office.
 - To facilitate hauling and relaunching the location of vessels in the yard is strictly at the discretion of the Marina.
 - A proper working drain plug should be standard equipment on the owner's boat. Owners are responsible for checking that drain plug(s) are removed after the boat is hauled so that water does not accumulate in your boat. The Marina does not monitor boat interiors and will not be responsible for any damage that may result while the boat is in storage. Drain plug removal, interior monitoring and or the pumping of accumulated water is the sole responsibility of the owner.
 - Owner agrees to empty holding tanks prior to asking TBM to winterize.**
 - Masts must be ready to step or unstep at hauling or launching time or an additional charge for time will be incurred by the owner.
 - Due to congestion of masts at hauling time, it is mandatory that the Marina remove and tie up mast gear when unstepping.
 - To prevent the possibility of fire, no electrical cords may be left plugged in during winter storage; no electric heaters or open flames are allowed for any reason. Fuel tanks must be full during storage to reduce fire hazard. Any fuel tanks that are not full will be topped off by the marina at the owner's expense.
 - The owner is required to keep the area around the vessel clean and free from any debris. No storage is permitted around or under the vessel. The yard may clean the area around or under the vessel at the owner's expense.
 - Access to trailers stored for the season requires 7 days' notice. \$100 Mid-Season Fee will apply.

20. Launching & Summer Dockage:

- a. Any outstanding customer balance must be paid in full prior to Launching.
- b. After launching, a vessel that does not have a summer contract with Three Belles Marina will be allowed dock space until the following weekend or three days whichever is greater. Thereafter the Transient rate per foot per day will be charged.
- c. Every attempt will be made to launch a vessel during the week requested by the owner. Vessels not ready for launch will be rescheduled at the discretion of the Marina and may incur an additional charge if the vessel needs to be moved in the yard.
- d. Pleasure boats only are admitted to the marina. Professional or charter vessels cannot enter the marina without the marina's permission.
- e. Trailers left in the yard after the spring launch will incur the summer seasonal storage/ handling charge.
- f. All slip changes must be approved in advance by the marina. Any requests to swap slips between Marina customers must be made in writing by both customers.
- g. The marina reserves the customary right to use or rent any vacant slip or mooring in the absence of the regular customer and seasonal rates are set with this privilege in mind. Please inform the marina office of overnight trips or when the slip is to be vacant for more than two consecutive days.
- h. Slips are not transferable. All slip rentals are to be paid in advance. No refunds will be made after April 1st. Refunds are subject to a 10% administrative fee. No subleasing of slips or transferring of vessels between slips or moorings is allowed without the permission of the marina. Should the customer sell the vessel all rights to the slip are forfeited.
- i. All vessels must be tied in slips or on moorings in a manner acceptable to the marina; or the marina may adequately tie up the vessel and assess the customer a service fee.
- j. Owners must furnish their own docking and/or mooring lines of sufficient size and strength to assure the safety of their vessel and to avoid damage to other vessels. The marina at its discretion will replace inadequate lines at the owner's expense.
- k. Vessels shall always be maintained in a seaworthy condition and shall not constitute a hazard or they shall be hauled and/ or removed from the marina at the owner's expense.
- l. generators, or air conditioners so as not to create a nuisance. Quiet hours are to be observed after 9:00 pm throughout the Marina.
- m. Dock water is to remain off at the spigot unless in use and attended by the boat owner. Back flow preventers are required by law and are not to be removed.

21. Docks, bulkheads, pilings, and walkways must be always kept clear.

- a. Steps, ladders, dock boxes and other boarding aids are not permitted.
- b. No rubber mats are allowed on the wooden docks as they promote rotting.
- c. Nothing is to be attached to the docks or to the pilings without specific permission from the Marina.

22. Pool Use:

- a. There is no lifeguard on duty at the pool. Swimming in the pool is strictly at your own risk.
- b. Pool use is restricted to summer dockage customers and their immediate family.
- c. Wristbands required by all members and their guests; pick up in office.
- d. Guests should be limited, and they must be always accompanied by the boat owner.
- e. Pool hours are 9:00 am to 8:00 pm on Friday, Saturday, and Sunday and from 9:00 am to 7:00 pm Monday – Thursday.
- f. Children under the age of 14 years must be accompanied by an adult.
- g. No diving in the pool.
- h. No glass, food or pets are allowed in the pool area.
- i. No Smoking is permitted in the pool area.
- j. Clean up after yourself when leaving

23. Boat Ramp:

- a. The boat ramp is for the exclusive use of our Dry Land Trailer customers.
- b. All others who wish to use the ramp are responsible for paying the appropriate ramp fees and should register with the office.

24. **Fish Cleaning Stations are provided as a service to our anglers.**

Please place all racks in a plastic bag(s) and dispose of them in the trash dumpster. Do not throw the racks in the water. Please hose down and clean the station after each use.

25. **Parking:**

- a. Parking is limited to two vehicles per customer.
- b. Parking passes are issued annually in the office. They must be visible at all times.
- c. Please respect drop off areas, they are for loading and unloading only and parking is limited to no more than 15 minutes.

26. Dinghy/Kayak Racks are available for a seasonal fee and are specifically assigned to each customer.

- a. No dinghies or kayaks are allowed at customer slips or on the service floats for an extended period.
- b. All dinghies and kayaks stored at the marina must be registered with the office and have a current TBM sticker visible on the transom or the hull.
- c. All dinghies must fit in and be placed upside down in the racks provided. No dinghies greater than 9' are allowed in the racks. Oversized dinghies on customers' trailers may be accommodated in the oversized area for a seasonal fee.
- d. The Marina provides a dinghy hauler for launching and hauling. Please use respectfully and return to the rack when finished.

26. Picnic areas and gas grills are provided for our customers. Please clean up after each use and report any equipment problems or propane bottles that need to be replaced to the office.

27. Lockers:

Summer and Year-Round lockers are available on a first come first serve basis and preference is given to current customers.

Please do not keep any food in the lockers.

Summer Lockers need to be cleaned, emptied and the keys returned by November 1st. If any items are left in the lockers after this date the owner will be charged \$70 for winter locker storage.

Dry Rack Storage & Valet Service Rules & Terms of Agreement

1. Summer season for our Dry Rack Storage and Valet Service runs from May 1st thru October 15th.
2. Working hours for the valet operation during the summer season will be:
 - a. Monday – Thursday 8:00 am to 4:00 pm
 - b. Friday, Saturday & Sun. 8:00 am to 4:00 pm
 - c. **All Requests for Launch must be in 1 hour before close.**
3. Three Belles makes every effort to maintain our forklift and travel lift in good working condition and to have adequate staff to run the lifts, however, mechanical failures or the loss of staff do happen from time to time. Customers agree to hold Three Belles harmless for any downtime of our lifts should these unfortunate events occur.
4. Customers who would like their boats in the rack for the night should be back and ready to haul by 3:30 pm on weekdays and by 4:30 pm on the weekends. Any boats arriving after that time should dock at the service float and will be hauled the following day and placed back in the rack. Please let us know if you are planning to be away overnight so we may plan accordingly.
5. The summer valet service includes one launch and one haul per day. Any additional handling of the boat will be subject to an additional service charge. In addition, the service includes the use of an outside ground stand for two hours once a week.
6. To maintain an orderly launch schedule and avoid unnecessary delays customers are asked to provide the marina with at least one hour's notice to launch. Customers who wish to get underway before 8:00 am should notify the marina by 3:00 pm the day before so we may have your boat launched and waiting for you at the service float the following morning. (Customers who have asked for prior day launch must have their boats off the service float by 8:00 am.)
7. Customers are expected to arrive at the requested launch time. Anyone anticipating a late arrival should notify the marina so that necessary adjustments to the launch schedule can be made.
8. The service float is for loading and unloading only. No boat may remain at the service float for more than 15 minutes, coming or going, or an additional handling charge may be incurred.
9. No overnight dockage is permitted at any dock in the marina (including vacant slips) without a reservation and the prior approval of the marina.
10. Customers returning to the marina are asked to dock at the service float and leave as much space around you as possible for the next boat to pull in. **In addition, please be sure:**
 - a. Outboards and stern drives are to be left in the down position.
 - b. Trim tabs are returned to the up position.
 - c. To lower all antennas, out riggers and canvas tops exceeding the height of the windshield prior to hauling.
 - d. That Adequate dock lines are on the boat for tie-up and handling by our yard staff.
 - e. Battery(s) are switched off prior to hauling (fire prevention) & all boats in the rack must have a properly installed battery switch.
 - f. **Damage resulting from non-compliance will be the owner's responsibility.**
11. Boats with ablative bottom paint will not be allowed in the upper racks of valet rack storage building. (ablative paint drips and can stain the boat below)
12. Expect boats in the rack to be dripped on from the boat above, so please cover your boat accordingly.
13. Customer must provide the marina with duplicate key and combinations for all locks on the vessel.
14. Draining of bilge water without an oil absorbing device is strictly prohibited and the customer will be responsible for the cost of any cleanup.
15. Three Belles will not make refunds of any kind because of loss of electrical power on site or as a result of the forklift being down for any reason outside of our control.
16. No boats will be launched or handled where the customer has an outstanding balance that exceeds 15 days.
17. Boats stored inside will be inaccessible from November 1st thru April 15th. The boats located in the center aisle of the building during the winter will be removed during the month of April and launched.
18. **Only Three Belles Marina Personnel are allowed in the Valet Rack Storage Building**, no other persons are allowed in the building at any time.
